Warranty Terms & Conditions

SUMMARY: Subject to the conditions and limitations stated here, Manufacturer gives a warranty against defects in material and workmanship for 2 (two) years.

This warranty shall no apply to any product that has been improperly installed, modified or customized subject to accident, negligence, abuse or misuse.

Items that are subject to wear are not considered defective when worn and are not covered.

This warranty shall no apply to any product that is used other than in accordance with current operating instructions.

All the repaired or replaced components will be warranted for the remaining portion of the warranty period on the original ones.

The customer shall be responsible for the costs of transport and collection of the devices.

Manufacturer obligation under this warranty shall be limited to furnishing, at no cost, a replacement for, or at our opinion, repairing any part or parts, which to our satisfaction prove defective, the above remedies shall be Buyer's exclusive remedies for any and all loss or damage claimed by or through Buyer from any cause whatsoever including, without limitation, inability to supply product, errors or delays in shipment, Manufacture's negligence, or any other matter. Manufacturer shall not be liable for any incidental, special, or consequential damages.

The above Limited Warranty is exclusive of any and all other warranties, liabilities or obligations of Manufacturer. Manufacturer disclaims any other warranty and makes no representations or warranty of any kind express or implied, including but not limited to any implied warranty of merchantability or fitness for a particular purpose or other matter.

Manufacture neither authorizes nor assumes responsibility for any other affirmation of fact, description or other representation with respect to its product.

These terms and conditions of this Limited Warranty may be revised by Manufacturer from time to time in its sole discretion. The terms and conditions in effect at the time of purchase will apply to such products.
